Welcome to SwitchPlay—your go-to hangout night at Beanies! It's all about good vibes, great company, and making memories that last. Whether you're 12, 18 or somewhere in between, SwitchPlay is the perfect spot to unwind, join in some games, and just be yourself. No pressure, no stress—just a place to chill with friends or make new ones. Hang out with our Youth Coaches and play video games, board games, do some arts and crafts, play group games and so much more.

Our earlier session is perfect for ages 12-15, while our later night session is ideal for those 16-18. But here's the catch—there are only 12 spots available for each session, so make sure to grab yours before it's gone! SwitchPlay is where the fun happens—don't miss out!
